“ *I hope there is enough room for what I would like to write. I learned about Jacob's passing only an hour ago because I called looking for our May invoice. Over the last 20 years I have used Joseph & Sons for all our pesticide needs, whether in the home or in the office. We met Jacob a couple of years ago when he first started the quarterly inspections at the offices. Each visit there was always something new (he shared a lot with us!!!) but before I mention one of the most favorite things he was proud of (not sure if it is true or not) I simply want to say the following: he was ever so polite, GORGEOUS eyes, always kind, very considerate, soft spoken, caring, thoughtful, and would often tell us stories about friends of his that were hurting. And what he was proud about??? He told us that one of his favorite things to do was to bake, and that his mom let him do all the baking for the seasonal food events -- he wanted no part of any thing else - - not Bar-B-Q, not grill out -- BAKE. And he said his mom would let him make as much of a mess as he wanted to. The Tribute Video is beautiful -- I have stopped crying, for now. I am looking at his picture with his dog as I write this -- those eyes and his smile will remain with us quarterly as plan to have this picture in our office lobby bookshelf.*

Michael - I am so sorry I cried so hard when I called -- that is your son, your baby -- Mary Lucas
