“ *Tam came into our lives a decade ago, and the moment she introduced us to Paps, my heart melted. Whether it was corking on the lake, dancing on a Saturday, or simply sitting together in his living room sharing stories, those moments will forever be cherished. Paps was a feisty man, known for his loving smile and the best hair in the Lowcountry. I am a better person for having known him. Fly high, sweet angel, fly high.*

Uncle Jacob was a special didn't meet a stranger always a kind word and a big ole smile.Growing up our family's were very close he was like a second dad. My heart aches and goes out to Tammy and Bruce and all the kids and grands. My greatest comfort is knowing he is with Aunt Shirley shagging on the streets of gold. Fly high Uncle Jacob know you will be so missed by many..
