“ *My fondest memories will always reflect upon how truly blessed we were to have her smile light up our lives. From the moment we met I knew I had a friend for life. I join her family now in the sorrow of her passing, only comforted in the joy that was her life. All who knew her were rewarded with her passion for life, love and happiness. God blesses those who make our world and our lives a better place, and that truly fits Jackie. This is how I will always remember her with her smile and laughter filling the room, and infecting everyone around her. As inlaws, we were outlaws, but oh so much more. I will miss you.*

“ To Lauren and the Nolan family,"Honey" as Jackie was so very proud to be called by her first grandson, will always be remembered. I met and knew Jackie and Lauren though our daily jobs on the waterfront and US Customs. Jackie was missed when she retired, but God granted her her desire, she said she wanted to enjoy her grandson and plant her flowers. Jackie has planted those flower and now God has come and picked her, His very own. We know that there is a time to plant and a time to harvest, there is a time to be born and there is a time to die. Jackie has finished her coast and now she gone to receive her crown of life. Please know that your loss is definitely Heaven's gain. Weeping endures for a night and but joy comes in the morning. Be steadfast and unmovable and always abound in the word of the Lord,for your labor will not be in vain...because if you live as she did, you will all see "Honey" again.

I would truly do anything to take it away. Momma Nolen was just an amazing woman! I've learned so much from her and will remember her always! I am just so sorry. I love y'all!..*
