“ *Dear Anderson Family, I just wanted to say how sorry I am to learn of your great loss. Although this is a very difficult time may you find solace and peace in warm memories as well as the love of family and friends. I have also found much comofrt in passages such as John 5:28,29 which speaks of the resurrection hope as well as Rev. 21:4 wher God promises to do away with all the things that cause us suffering and pain including death forever. It is my sincer hope that these thoughts will bring your family comfort as well. Once again I am so sorry for your loss. Laura*
