“ *Judy my heart goes out to you and your family. Jim was a shining light to many by what I have read here. I know him and you from WKCL and we are going to miss him so very much. I always looked forward to his shift and always got a charge out of him usually ending what he was saying with, "and my name is Jim". My pray is the Angels will carry you as you through these trying days*

“ Jim was a caring, loving and generous man. I came to know him when he was working at the storage facility. He recruited me for the Summerville Miracle League several years ago and I have since enjoyed and shared his passion for this program. He was a true talent with the microphone and he will surely be missed. You've been through so much Judy; I will continue to keep you and A.J. in my prayers. May our God comfort you and provide peace of heart knowing full well that Jim is now in the arms of our savior. Thank you Lord for the pleasure of Jim's company and friendship. Randy Munroe

“ Jim had a heart of Gold and a love for Family and Country. Jim was an inspiration to all who attended Summerville Miracle League games as the players were cheered on by Jim's, sometimes comical anectdotes and cheers for the players. Jim will surely be missed by all those who knew him. He put up a valiant fight against the cancer that attacked his body...SO JIM...PLAY BALL!!!
