“ I have fond memories of going to the Allens Creek Baptist Church with Bill, and many times I would go home with him or he would come to my house after church and we would hang out until time for evening services. I also remember when our families traveled together one summer for a week's vacation in Florida. We had a lot in common but went separate ways after high school. Carolyn and family, I am sorry to hear of Bill's passing and my thoughts and prayers are with you.
