“ We go so many years back working as a side by side team at Smiths. We were like a husband and wife not always seeing eye to eye with many ups and downs but always had each others back. My heart breaks for all your girls and grand angels but find serenity in knowing you have comfort and peace in our heavenly fathers kingdom. I know you will have a watchful eye on all of your loved ones through the holes in the floor of heaven. Rest In peace until the day comes that we all join you in glory and know until then you are and will be missed here on earth.
