“ *A wonderful father! My Dad taught me so much throughout my life. I could always count on him when it came to engines, carpentry and the like. My Dad was great with his hands and my fondest memories were having him talk me through tough projects.*

We will all miss you dearly Dad! I love you.

I was talking to my wife of being friends when we were young. Being in the Navy League Cadets. Our family were friends. His parents George and Louise were awesome people
