“ I will always carry good memories of you Uncle Jim. You shared your sense of humor to always give someone a laugh ! You had a very welcoming personality and although I didn't see you as much as I would've liked , I do cherish the visits we did have. Rest In Peace❤️

“ With love to the man who took me to the father son events at St Francis and allowed a teen start his Bonneville. Fishing for trout and clamming on the bay. I will always smile listening in my mind to you playing the piano. Thank you, steven (mitochondria)
