“ Sweet dear Jamie, I knew all those years ago when you babysat our children that you were going to be a great Mom one day. While we will forever miss you, and that big beautiful smile, we know you are safe in God's arms. So many friends and family will love those sweet boys and will never let them forget you. . Rest easy my friend. May your light shine bright for all to see. May your family heal from this tragic loss.

“ I have worked with Jamie for the last 2.5 years. Her enthusiastic love of her sons was infectious. She had such a joy and positive outlook on life! She always looked out for her fellow staff members, whether to organize a birthday celebration or to lend an ear... she meant so much to so many of us and my life is different because she was in it. I can't believe I won't hear her laugh any more. Her family will continue to be in my prayers for a long, long time.
