“ I was saddened to hear of Janet's passing. We grew up together on Camden Ave. and were great friends. I had a chance to catch up with her at Norma's funeral and was told at length what a fantastic family she had Beverly Faye

“ I feel blessed to have had the privilege of knowing Jan. Her love for her family, tenacity, loyalty, and faith were matched by very few. Her hearty laughter was infectious. How I loved to spend an hour listening to her as she shared the wisdom of her life experiences. Her example makes me want to live a life like hers, she lived and loved out loud, seizing every moment she could, a life to be deeply missed. But this is only a temporary separation, till we see her again.
