“ Losing you-Mom and Dad-in a span of less than a year is very painful. Life would not be the same without you. I will not be able to hear your voice anymore and hug you! Please watch over us, Mom and Dad!

“ Mom Janice is very sweet and always find something positive even in a very difficult situation. Because of her, I learned how to make rum balls and banana bread. I surely will miss the delicious meals she prepared especially during Thanksgiving and birthdays.
