“ Jan is a very special lady and has gone before us so she can greet each of us as we arrive. She is that kind of person always wanting to help and to make things ready for others. She will live on in all of our hearts. So many special memories and so much love. She was always ready to pray, listen and love. You will be missed here precious lady but I look forward to spending forever with you praising the Lord together. I know Rita is pleased to have you there. So many are celebrating your arrival as we celebrate the beautiful life you lived here serving Our Lord and others. You touched many lives and your love will live on until we all meet together on streets of gold.

“ I met Janice when I was 14 1/2 (now 75) . I lived across street from, we rode to school,I married her brother, we had a double wedding together,took vacations together. My life has been intertwined with her and her families for a long time.she was closer than a sister could be. She will be forever in my heart with all the memories we made. Thank the Lord we will meet again, but right now she is seeing all our loved ones and being blessed by our Lord. A very sweet woman left us only for the moment. God knows how much I and all my family loved her. Also praying for Bob who I love dearly.

It was about 52 years ago I came to know Jan, when I joined the Coral Villa church family. She Rita & others were members of the JOY Sunday school class. Jesus first, others next , yourself last. She did that with so much love & Grace. With Letty as our teacher & guide. We all had our last babies about the same time, Lori, Lisa & Diane. We did ceramics, crafts, through all kinds of parties, went to the Orange bowl parade every New Years Eve. Went on trips, got lost, just had so much fun together. Once, Bob brought her to Meet up with me & Rita to head off on an adventure, she said, do you like my new shoes? Rita was polite of course, I said, shoe, thats no shoe, its a plastic sole with your foot stuck to it. She could also be blunt, in a living way of course, once she told me, I think I have a hair color that would work for you, I asked her, would it look nice, she said, it will look better than what you,ve got going on now. When my granddaughter Madison was about to be born , I said Maybe she will be born on my birthday, Jan said, or mine. Her mother said, she will have her own birthday. She was born on Jans. We laughed so hard. Jan helped me so much when Dallas passed away, I dont know how I would have gotten through it without her. I needed her famous hugs when my daughter Michele died, but we were too far away. She was a precious, caring, compassionate woman of God. My life was so much better for having her in it. Go rest high, on that mountain, my sister friend, enjoy being with Rita again, I be with you both again one day. In lieu of flowers my family will make a donation to Komen for the cure. Unfortunately, thats something else we shared. God bless all of the Tipton family, I love you all

Jan,
We are so happy to have met you. We gained a great friendship since meeting you and Bob. Your kindness and smiles were always radiant. You were always quick with a funny comeback from something that was said. We had great times at the weekly lunches. We know that you and Sara are having one great time together and toasting us on wednesdays. You are our friend and you will be in our hearts forever!
Love, Kevin and Mary Ann.

Oh Jan, my precious friend. How greatly you are missed. Wednesday lunches will never be the same without you but you will be toasted, just like we always did Sara. You brought so much fun and laughter to our Wednesday lunches. Loved all your stories. You will be in my heart forever and ever. Your legacy is one to be honored. Love you.

“ Mrs. Tipton was the kind of 2nd Mom that redid the dress I had to sew in home economics class because I would've failed...BUT she made me sit with her the whole time so I wouldn't get off scot free! A true blessing to have had her in my life. It's a little sadder here on Earth, but heaven is rejoicing 🙏
