“ *You left a positive impression on all the people you met. It was a joy and an honor to work with you in home schooling Hannah! We don't always know the answers for times like this, but we pray we are strong enough to help others deal with such a tragic loss and move forward. You are already missed so very much and certainly will never be forgotten. I know when Hannah accepts her HS diploma in a few weeks, you will most definitely be on her mind! My husband and I were extremely fortunate to have been able to teach Hannah many classes through LEC. I will continue working with her as she prepares for college and beyond!*
