“ *Pin was there when my mom went to get me from the adoption agency... she babysat me, gave me a good talking to when I needed it and gave me a hug when I needed it too... she was like a second mom to me! She took care of my momma and was an amazing friend as I aged and grew up! She was my angel when I needed to finally speak my truth and she will be greatly missed! Heaven gained an amazing angel!*

*Pin has been a dear friend since elementary school in Summerville. Our friendship has lasted thru the years of ups and downs. Our last visit was in June when Linda (Finucan) Parker's granddaughter graduated from SHS. We had a blast. I can't believe she has gone home, but know that she is happy to be in the house of the Lord.*
