“ In one's life you meet tens of thousands of people, but only a select few are so memorable and create a lifelong impression - Jerry was one of those remarkable people and an amazing person. I feel so lucky and grateful I had the chance to know him. Jerry was such a good and a generous man to my Mom she considered him a best friend, a confident, a great neighbor and highly respected. I, too, share those same feelings and will greatly miss the hours sitting on the front porch sharing stories of his remarkable life and shared interests of motorcycles, outdoors and the military. My thoughts are with you and your family.

“ I met Jerry in Greece while on Temporary Duty in late 1980's. He became my best friend. He was very intelligent and an extremely talented individual. He could fix or build anything he set his mind to. A very down to earth and honest person. Qualities beyond reproach!

*My condolences go out to Donna, Josh, Jeremy, his siblings and everyone else that was fortunate (like myself) to know him and know what a great person he was. I'll always cherish the time we spent together. Oh how I wish, as I'm sure everyone else does too, we could have another day with him. God Bless you Jerry.*

“ *The Anderson family, you all are in our prayers during this sad time you are enduring. Allen was a childhood friend. We grew up together in Cleveland Tennessee and I remember all the fun times we had in church and in school. I can remember like it was yesterday; Allen would walk around in his penny or tassel loafers sometimes with no socks. You could always hear him coming by just listening to his heels clap on the floor. Our heart goes out to all his family and friends. Allen will be sadly missed here on earth, but there will be a greater reunion soon when we all get to see him once again in Heaven. This will be a very emotional time for family and friends but use your faith and turn to God for prayer. God will be the one that will help you thru this difficult time. Each person must cope with their loss in their own way but don't forget about support from family and friends. Blessings to all his family.*

“ Allen was my greatest defender and supporter as a child and adult. He kept me engaged in doing adventures I would not have done without him. His sometimes tough exterior was always tempered by his kind heart. I loved him dearly. I will miss him always. He was a great brother! I love all of you even though we don't get together often. Love, Rene

Allen was a childhood friend here in Cleveland Tennessee. His mom and dad and my mom and dad were great friends. We crossed paths at a Wendys in Manning South Carolina a few years ago. He was and is a great guy!! Lots of fun and full of life! Rest assured he is enjoying the promises of God. RIP life well lived!

Allen was and is a great brother--born just 14 months after me. There wasn't much he couldn't do, fix or build. He did so many things, big and small, for others with no fanfare. He loved his family, nature and his pets. I know he's having long conversations with Mom and he's fishing with Dad. We will miss you until we see you again. Love, Dana

*Some of my fondest memories of childhood were growing up on a family farm with Grandparents, Uncles, Aunts and DOUBLE FIRST cousins! With 100 acres of land, creeks, lakes and wildlife to explore, the cousins were fearless. I remember the hayloft battles and throwing wild berries at each other, riding ponies that tried to buck us off every time and of course softball teams...One of the saddest days for us was when Allen's parents moved to Cleveland, TN and our childhood was changed forever! I feel confident that Allen's love of animals and nature started on that farm!*

*Although Allen's career took him, Donna and the boys away from staying as close in adulthood, I have so much love in my heart and the best memories of Allen when life was filled with carefree days and great adventures in East Tennessee!*

*I have prayed for Donna, Jeremy, Josh and the grandchildren to remember ALL the wonderful times with Allen and to find peace knowing that the suffering is over. Love Lynn Caldwell Shearer*

*Allan was one of my first childhood friends, along with Dana and Rene in Cleveland TN. His dad Jerry was our wonderful pastor. Sad to hear of his passing but it seems he had a wonderful life and leaves behind a family that would make anyone proud.*
