“ I met Jim through the PGR. I always enjoyed seeing and talking with him at missions I was able to attend. Being a retired Radioman myself, Jim and I had much in common and shared many sea stories from our diverse careers in the Navy. He will be deeply missed and was a true patriot, having served his country in Viet Nam and during the Cold War. I am honored to have known him. Fair winds and following seas, shipmate. Thank you for your service and sacrifice. God bless all your family.
