“ *So very, very sorry for your loss. I believe I just saw a story on Fox News about this lady, stating that her granddaughter wanted to know why Covid was listed on her death certificate. I had a similar thing. I just lost my sister suddenly at age 73. As a paralegal who works in estate administration, I immediately wrote her family doctor to make certain covid was NOT on the death certificate, because if it was, I would have had an autopsy performed prior to cremation. Please e-mail me if you can. I am interested in supporting you. Deborahp101@verizon.net.*
