“ Mr Joe was always SO welcoming and loved to talk and help his neighbors. He was also a great husband and father to his family. My mom and Mrs Oatti were great friends and neighbors! My thoughts and prayers are with Patti and the entire Family as I can only imagine the pain you are going through again so soon after losing Bryan in February. Please let me know if you need anything or I can do anything. (843-364-1148)

“ The staff of AccessAbility send our condolences to the Lenoir Family. Mr. Lenoir was a behind the scenes man who made many things possible for us to better serve our community. The whole community of people with disabilities lost a friend and supporter. So long Joe, we will miss you dropping by, your willingness to solve a problem, your smile and your big, big heart. We will think of you often and never forget.....
