*I have so many happy memories that include John! Some of the very best include eating at a table full of fabulous food that he had cooked for friends & family!! The best food ever! He loved to see people he loved enjoying his special dishes. You could not go to his house without having a wonderful meal!*

*And watching a Clemson football game with him was hilarious, John would have his little dog “Nugget” in his lap enjoying the game with his “daddy”. He had very special bonds with his pets...He was just an overall great guy, & I loved having him as my son-in-law.*

*I know he is in his Lord’s hands now, & is turning him into a Clemson Tiger fan! Thank you, John, for loving my daughter & being such a good husband, father, & son in law❤️ You will always be in my heart & prayers & I will always love you.*

*God bless you, my friend. Judy*

*Loren, you don't know me, but my grandparents were George and Lida McNeill from McColl, SC. My parents also grew up there, and my momma babysat the Bethea kids 60+ years ago.*

*The way I met John was in the 2nd? grade at McColl Elementary School...my first day there I wore a dress with crinoline slip and John thought I was pretty (it was the dress!!). I was sweet on him and he would walk me to my grandparents' home many times. I cherish that memory! I look forward to seeing him again in the presence of our Lord! God bless you...grieving is hard. I know, I have a husband with the Lord myself. I'll remember you and your family in my prayers.*

“ *One of my most endearing memories of John is him reaching out to this poor kid from the wrong side of the tracks and inviting him to his home to play. This didn't happen to me too often. I mean, here's a kid whose idea of playing consisted of stomping on beer cans and walking down the middle of the road. And suddenly, I was transposed to this "high society" kid's home, who had many toys, including, what I found out later to be a go-cart! This kid was in higher cotton than that at Hugh McColl's farm! But, even greater than all of these things was the fact that John treated me as an equal; never looking down on me. He didn't have a pretentious bone in his body. I miss him so much already.*

“ I loved the hilarious stories that John told about picking tobacco and going fishing with great Uncle Bill. I don't think he ended up doing much picking or fishing!! John and I always hung out together as kids during family gatherings. i was so glad to have a buddy during those times. John, you will be remembered always and missed a lot.

“ *Cousin John was quite a man. I remember all the times we spent together visiting McColl, both as kids, youth, and adults. He was younger than I, but still special. It is always sad when one of your family "cadre" passes on. I know his immediate family will miss him terribly, just as my sister Barbara & I will miss him. Just knowing he is no longer in this world is saddening and leaves a gap in our collective family cosmos. Sweet dreams, Joihn, Rest in Peace... we will miss you terribly.*

“ *My heart is truly broken at the passing of my cousin, my friend and in some ways....a soulmate. I will never forget the passion and intensity that drove John. Whether it was for his family, his dogs. his "Tiger's" of someone that he didn't even know...if they were being "done wrong". He always had plenty to say, John could be loud but he had a very tender heart. I am sad beyond words for all of his family. and pray that our Lord will wrap you all in his arms and give you much needed peace. ..Son, father, brother, Dad, friend, cousin....he left all of us too soon but is walking those streets of gold!!*
