“ *Uncle JW I have such great memories of you, especially at grandma and granddaddy's house for the holidays. My greatest memory of you will always be your sense of humor. Sometimes you would have us laughing so hard. That was a special trait you had to always joke around and make people smile. Even though you will be sorely missed by all, we all know you are now in a much better place. (Still making everyone laugh).*

*Love always

“ *John was the happiest person I have ever known. His smile would probably light up an arena. Anytime we talked he beamed with pride talking about his life with Katie and his family. To all of the Coates Family, I am so sorry for your loss. I know he will be deeply missed. I feel very privileged to have known him and been his friend*
