“ *From the 1988 Gator Bowl to the 2019 Carolina-Clemson game, Val, Wendy, Kelly and I have had many memorable tailgates with "Bedrock". We were blessed to see him and Jamie just a few weeks ago at this year's game. We will always remember "Bedrock" as a humble, sincere, and family-oriented Tiger. For the Bobseines the Carolina-Clemson will never be the same. With love and prayers, Doug and Val Bobseine*

“ Linda, I am so sorry for your loss, and prayers will continue to be with you and your family during this very difficult time. John was such a great guy, so enjoyed being in you and his presence when we were able to get together. I enjoyed our little chats on FB, although he was a man of few words! He will, for sure, be missed by everyone who knew him. Love and comfort to you, Linda, and your family!

“ John was always so proud of his Family and his heritage. I listened to many tales of Family adventures and Southern pride. My favorite was a story John told me about how the History Books had it all wrong; General Lee did not surrender to Grant at Appomattox, but rather mistook General Grant for a blacksmith (him being so shabbily dressed), and was only handing him his sword so he could sharpen it.

I'll miss John, I already do. Prayers for you and yours Linda.

“ My best memories are from many, many years ago when the children were young and we went camping in tents @ Santee State Park AND Bayer Christmas Parties !! WOW, What Fun ;) Dales are from working at the same company and remaining friends and co-workers for over 40 years ! AND it all has to include the Fire, Rescue, EMT training (I am sure I missed something) and especially the overnight trips out of town (sometimes longer). I feel so blessed to see John & Linda just recently <3
