After graduating from high school, John attended Clemson University where he received his BS degree in Recreation and Parks Administration and was a member of the Kappa Alpha fraternity. In 2006, the Berkeley County School District honored him by naming the football field at Charles B. Gibson stadium, the John Fulmer Field. He was always the number one Gator fan. Through his tenure at GCHS, John positively impacted the lives of countless students, teachers, and staff members.

John enjoyed hunting and fishing, being PawPaw to his grandchildren, spending time with his friends and family, listening to beach music, sitting on the front porch, being outdoors with his dogs, and pulling for the Clemson Tigers!

He was a great leader in that you always wanted to give him your very best and he always took care of his people. My heartfelt condolences go out to the Fulmer family and may John Rest In Peace.*

“ John Fulmer was an Assistant Principal when I began my first teaching position at GCHS in 1987. In reality, John ran the school. John Fulmer was the best administrator I ever had in my 31 year teaching career; five of those years years at GCHS. John was a mentor and friend. I am sad that we lost touch after I left GCHS, but i always thought of him when it was time for Camp Meeting because I remembered when he realized that my daddy’s cousin was Victor Smith.....six degrees of separation.....SC was a small state back then. May John Fulmer rest in peace, though he will be greatly missed on earth.

Will miss Mr. John at Jrs Grocery. My deepest sympathy for family and friends close to him. I used to tease him about me being a Summerville Green Wave back in the day Goose Creek was our biggest rivalry and the most fights. Will miss Mr. John.

First of all, Robbie, Robin and Sally, so very sorry for your loss. Still can't believe he has gone on to a better place. He is loved by many and will be missed. Like every one, I always loved hearing John and Jerry sing beach songs. When he walked in the room it would light up. RIP dear friend.
