“ Have missed lining up some fishing and golfing in the last year with JD. Many years passed after high school at Hanahan, but John and I never lost our friendship and were able to get together after his USAF retirement and move to Summerville. Enjoyed some great days on the water, on the links, and in our get-togethers with him and our school mates. Special memories that are not forgotten...

“ Although I didn't spend a lot of time with John or Christine, I hold special memories of them both.

After having just arrived at Travis in 1984, they invited me over to share Thanksgiving dinner with them, making me feel at home and welcomed.

Not being much of a fisherman, John somehow convinced me to go night fishing with him on the Sacramento River near Rio Vista. I don't remember catching anything but I do remember it being the first, and last, time I ever went night fishing.

"May his memory be a blessing"

“ My wife and I were stationed with JD together in California and have many fond memories of the Bellew family. Playing cards and fishing. Met him many times in Japan as well. God Bless and RIP..

JD was married to my cousin. Every time we would be together he would keep us laughing. You know. The kind where it's hard to breathe you're laughing so hard. Such a loss. God speed JD.

Chris and family, so sorry to hear about JD. Dennis Rogers called me and told me about him. The conversation led to a lot of memories and the good times we spent together at Barksdale and Caddo Lake back in the 60s. Please accept Denny and my deepest condolences.

Love ya
