

# John Joseph Jellison

May 8, 1964 - September 6, 2025

John Joseph Jellison, beloved husband, son, brother, and friend, passed away on September 6, 2025, at the age of 61. Born on May 8, 1964, in Quincy, Massachusetts, John was the cherished son of Edward F. Jellison, Jr. and Donna Jellison.

John was a proud and hardworking pipe fitter in the construction industry, dedicating his life to building and fixing with skill and integrity. His strong work ethic and pride in a job well done described him as a person; just one of many ways he cared for those around him.

John was known for his generous heart. He would do anything for anyone, always eager to help without ever expecting anything in return. He believed deeply in doing the right thing, not because it was expected, but because it was simply who he was.

He married the love of his life, Kristin Jellison, and together they built a life full of love, laughter, and unforgettable memories. Their bond was something truly special.

John loved the outdoors and could often be found fishing, traveling to new places, or hitting the golf course. His joy for life was contagious; he was outgoing, magnetic, and the life of every party. His laughter, quick wit, and

warm presence lit up every room he entered.

John leaves behind a legacy of kindness, loyalty, and joy. He touched countless lives and will be missed more than words can express.

He is survived by his loving wife, Kristin Jellison; his siblings: Edward F. Jellison III (Karen), Debbie Kidd (Arthur), and Lesa Leppo (Aaron); his loving mother, Donna Jellison; as well as his nieces and nephews: Katelyn, Michael, Brad, Alexandra, Zackary, Krystal, Paige, and Matthew. He was preceded in death by his father, Edward F. Jellison, Jr.

“ Johnny was full of life and joy! We loved playing poker with him on a few occasions. He and Kristin often took home the pot! His laughter was contagious and we cherished our time with them both!
