“ *I don't have one specific memory at the moment but I'm definitely going to miss his loving presence at family gatherings. Not hearing "Hey lissy" followed by his big warm hug will be an adjustment to say the least.*

“ I've spent many hours on the water fishing, on the phone talking and at the plant working with Johnny. Who I always called JJ. I can't remember a time when JJ didn't mention his family or talk about how the Lord had blessed him. He loved you guys more than you'll ever know. He was so proud of his family. I know he will be greatly missed. Please don't hesitate to let me help in any way possible. Love you all. James Bunch

“ Fred and I are devastated to hear of our friend Johnny's passing. Such a great guy and friend to both of us. Fred was in Johnny's class of 74 at SHS and worked at Bosch with him. I met and got to know Johnny with my husband, Fred Hull. His precious wife, Troy Richardson Johnson and I were in class of 76 at SHS together. Prayers for his family and especially for Troy. We're here for you girl if we can help with anything. No more suffering sweet friend Johnny, now go rest high on that mountain sweet friend.
