“ John was the sweetest man I've ever met. I posted a couple of photos in the CCSO album. They are from when I used to create a yearly video for the annual awards ceremony. In the one where he is "hard at work", we had been chatting about different things and I asked him if I could take a photo of him for the video. He asked, "like at work?" I said if that's what he wanted. He then posed for that shot. Not to say that he didn't work hard because the man was always working. But he always had time for a smile, a chat, and a handshake. One of those guys that leaves a void when he's not there. He will always be remembered.

“ *Mr. Johnny I'll miss you so much. I knew when I came home from the lake on Sundays, there'd always be a pile of yard debris and you would be washing the Jeep. If that wasn't the case I was calling to make sure everything was OK. I'll miss seeing you and Ronnie and sometimes my Johnny standing out in The yard talking. It was not a meeting of the minds lol. I'll miss our talks we would have outside. Johnny and I have been missing our Wednesday night outings. Big hug Mr. Johnny. I'll miss you on this earth. Enjoy your nascar and Jack and Coke. I love ya man.*
