“ *Dear Carolyn, and family. I am so saddened to hear about Johnny. He was always very special to Michael and so dedicated to all the boys at LYO. Both of you had a very positive influence on Michael, especially since he spent so much time at your home. Mike and Johnny were like brothers when they were growing up. Words never seem to express feeling related to losing a family member, especially a husband. May fond memories fill the hole that I'm sure is in your heart. I will be out of town this weekend otherwise I'd be at his service. Many prayers for you and all of your family.*

“ I first met John back in 1983 when we were both stationed on the USS Fearless and saw him every month on his drill weekends until I left the Navy in 1987. I ran into him years later on the Weapons Station in 2000 when we both worked for Naval Facilities and then transitioned together into Air Force Civil Engineering. He was superbly knowledgeable, ever industrious, and unfailingly pleasant right up to the bitter end. There is a lot about him to be missed. May he long be remembered and inspire those of us he left behind with his tenacity in accomplishing the mission.

“ One of the kindest men I have ever had the pleasure of knowing. He adored his family and would do anything for them. Treated everyone the same. Don't know anyone on the face of this earth who could say anything bad about this man. Will be sorely missed. Much love and prayers for all of the family. Such a great loss.

“ I was saddened to hear of Johnny's passing. I had the privilege of working with him at Joint Base Charleston for approximately 3 years. I did not see him every day as most of his coworkers did but when I did he always had a smile. He often talked about his family, his coaching, & his love of building things too. He will be missed. God Bless you and your family through this difficult time.

“ *To Johnny's Family: I have worked with Johnny at the Naval Weapons Station and Joint Base Charleston for many years. He was a great person and will be missed by everyone. It was such a shock to all of his co-workers, as I am sure it was to all that knew him. Take comfort in knowing that he does not suffer or is in any pain. Cherish the time and memories you had with him and of him in your hearts forever. All of you will be in my thoughts and prayers now and in the coming days ahead. Take care of each other as Johnny would have wanted you to! God Bless Each One of You.*
