“ *Joe, I loved you like a brother than a brother-in-law. You are greatly missed. Your kindness, your humor and musical talent is greatly missed. You were the first person to give me a Nick name.. you gave me two!! I can still hear the mischief in your voice when you called me by one of those Nick names! You would always have that big grin and hearty laugh. You and Ruth are together again, teasing one another, enjoying each other's company and sharing y'all's love for one another. Rest In Peace, Joe and Ruth. Love y'all always. ❤️*
