June 12, 1962 - May 25, 2024

Joseph L. Gaskins, 61, of Goose Creek, SC, passed away peacefully on Saturday, May 25, 2024.

Joey grew up in Mount Pleasant and was a high school graduate from Wando High School. Him and his wife spent 34 years together, raising two wonderful children.

Joey worked as an Administrator for Berkeley County School District, spending 29 years doing what he loved until his retirement. Joey enjoyed many things in his life including grilling out during the summer months, traveling to the beach with his family and taking care of his yard. Joey was an avid baseball fan, watching the Atlanta Braves every chance he could. He shared that passion with his son, coaching him from a young age. Joey was a mentor for many other children growing up as well, he was a true gentleman and shared that with everyone he came across. He was known to be the life of the party, with a sense of humor that could brighten anyone's day. Joseph is survived by his loving wife, Tracy Gaskins; his children; siblings: John Gaskins (Emily) of West Ashley, and Sonja Velasquez of McClellanville, SC; as well as his loving nephews: Joseph, Joshua, and Johnathan Velazquez..

“ My heart hurts for you Tracy, the children and all of his family and friends that loved and knew him. I fondly remember the days of working with both of you at Cross Elementary. Joey always had a smile and some smirky comment to the other teachers that would keep us laughing. When I think of him I think of his dedication to his family and his school family. He loved you all so much. I remember when you married him! Time fades some things, but the memories of those that have touched our lives stay hidden in our heart and brought to the surface to give us a smile. I will remember Joey as that man that could handle his kids in his class and also handle all of the women teachers around him. He will be missed by many that he touched and those that loved him. God Bless and Comfort you and the family now and the days to come.

“ Joey was a wonderful man who was always upbeat and kept me smiling . We spent many hours talking as he sorted out his investigations of bus incidents , hence his nickname Sherlock Holmes. He will be greatly missed and I will forever hold our memories close to my heart.

To Tracy and the kids His love for you was obvious and made his beam with pride each time he mentioned your names or told me of your accomplishments . May you find peace knowing you were his every breath and may those memories carry you through the pain and sadness of his earthly loss. RIP Joey 💔

“ Joey was a good man. He had ALL of the attributes of a good man. He was married to the daughter of the best friend that I ever had and that made him special to me. He helped raise two of the smartest, nicest, well behaved, and beautiful children that I've ever had the pleasure to know. We had many good times talking sports and life in general. He was blessed with Tracy as she was blessed with him. They were a special couple. As I said, Joey was a good man and I shall miss him.
