“ *We are brokenhearted but knowing he is with his heavenly family calms our hearts. Joe was the godfather and quiet respected friend of all of his cruzin' buddies, friends and workmates! Everyone thought the world of Joe and we will miss him so much. Joe was always there to help Denny with so many repairs and to give advice on how to fix things. Joe could fix anything! It showed on his face just how much he loved you Ann and how he loved his family. We never said your name Ann without adding "and Joe". Denny and I will miss him beyond what words can express. You both have been so generous and kind to us and everyone. We love you and may God Bless you always to give you peace.*

“ I can never thank Joe and Anne enough for all the visits they made to cheer up Mom in her final years. Joe was so very patient and always the gentleman. Thank you, too, for your nearly quarter of a century service to this country.
