“ They say that God has angels walking with us —I believe it, and Miss Joyce was one of them. She helped so many people during her career in HR with the government. She came into my life in 1976 when we moved to Summerville. I became a part of Bill & Heidi’s gang. Miss Joyce welcomed me into their group like I had been in their group for years. That is the way she was to every one. She will be missed so much. Sending hugs and prayers to the Clinard family. Miss Joyce was loved by many.

“ *I knew Joyce from the Naval Weapons Station. She was a friend to everyone - helping them find solutions to their issues. Always kind. She was a blessing to know.*
