“ Aunt Julia and i would call each other and just talk about anything and before you would know it 2hrs would have passed. Sometimes the goodbyes would lasted longer than the phone call. where we would get off on a squirrel adventure. You know what im talking about. 😊 We would just about hang up and then something would cross her mind and you'd pick up the conversation for another 15 or 20 mins. Im going to miss the talks 😞 i love you Aunt Julia!!! 💔
