“ Juliet was a beacon of light with her smile! She was an encourager and love God and her family. What I cherished the most is all the times her and Rick assisted us in Marriage Retreats. They both were willing to do anything that was asked of them and made our job so much easier. She would always ask me what else can I do to help you? What a treasure she was. Until we see each other again, worship and dance before the Lord my friend.
