“ June and Jerry are one of my oldest and dearest friends that I have known for over fifty years and I've cherished every year that we have known each other.Me and Jerry were shipmates and lived in Deer park in a trailer in front and June loved in a house with her family in the back of the property.we being young and green behind the ears didn't do much cooking so we would get some food and June would cook it and we and her family would eat together usually on the weekends and it was the only good meal we had all week, you don't forget times like that.my wife Sue had a stroke and was in Healthsouth rehabilitation Hospital and her last name was on the back of her wheelchair and June rolled up in her wheelchair and asked her if she knew Don Couto and my wife said yes he's my husband and I think June told her you poor woman or something like that lol.That was almost twelve years ago and my wife and me have cherished their friendship all these years.when the two ladies were well enough the four of us would meet at Waffle house for breakfast and talk for hours ,it's times like that that we will surely miss.we know in our hearts that June is at peace and out of pain and we wish Jerry and the family the same,we love you all.

“ *Ms June as I called her was a delight. We laughed, cried, & loved each other. We share special moments together & the hugs were always given. I highly respect both Ms June & Mr Jerry, they are my friends. She was so passionate about hockey & Mickey/Minnie, it was transferred to anyone. I will miss her, glad she is resting in Christ.*
