“ *I am so sorry that I could not be at the funeral. Kathleen was a close neighbor for my entire life, and a better neighbor could not be found. I will always have fond memories of her from my childhood. My condolences to the family.*

“ *My condolences to the family. Mrs. Parish was such a treasure to the community with all she did for the school. I have such fond memories of her at the Academy. She was a good friend to my mother and I know that she probably is busy right now planning a heavenly reunion for some "soup and cornbread" for all those special ladies who watched over us when we were young and are now with her watching from Heaven.*
