“ *Everytime I came down to visit from Wisconsin my excitement included seeing all the wonderful things Kitty would make and the friendship she had with my parents was just so genuine. We left Thursday June 18th .But enjoyed seeing her the night before and the week prior after visiting my mom. She made that beautiful chandelier by the mirror and was working on one for the other side. She did magic in her home and was so personable , loved that comfortable feeling being around her. God Bless her and her family I'm sure she's fixing her mansion in Heaven in gold I'm sure. Told her I would see her Christmas, it will never be the same on that street again when I visit. Most Fantastic Southern Belle I have ever met.*
