“ *Dear Mark, Josh, Bethany and family, Merverie and I were so saddened to read this morning of Kathy's passing. She was always so cheerful, full of life and welcoming, as all of you are. We remember seeing and talking with you on Sundays, the presentation we did before the church when Josh portrayed the healed blind man- great times together. We have missed you and often thought of you all. We pray peace and mourning turned to joy for the reunion we shall all have with Jesus. Our love and prayers for you all, Merverie and Jim*

“ Dear Family--I came to know your Mother, Kathy, a few years ago when she and I met at a 9-12 meeting in Summerville. We often shared our feelings and thoughts about the condition of our country today and our fears and concerns about the future of it for our children. We participated in rallies together and shared opinions with other like-minded individuals. We even traveled to Columbia, SC, together when there was legislation introduced to negate Obamacare in this State. One thing that stands out most to me about your Mom...was the fierceness with which she loved her family, most especially her children. Her soft-spoken, tiny little voice carried such a powerful meaning anytime she spoke of her children. She loved you with all of her heart and fought for those things she believed would make your world a much better and safer place to live. I hope you find some peace in this knowledge; but, most likely you already know how much she loved you all. God bless and keep you---Ann Conder.
