“ I remember Greg being such a cute little boy that we couldn't help ourselves by putting him on a little skirt and combing his curly hair. He was just so adorable and ready to play. And then I have a picture of him being tough and fighting with me And he was so cute when he was doing it because he was such a little fella. Someone thought he was dancing but no, he was showing me how tough he was. He was gentle and kind and friendly and loved. ❤️
