“ *Kenneth was the very first friend I remember ever having. We started school together and shared many good times together over those years and after. My own sons have heard many stories of our adventures. Now, though it has been some time since I last enjoyed conversation with him, he was regularly in my thoughts. As shocked and saddened as I am I know that you, Marie and family, are magnified in it far more than I can imagine. My sincerest condolences to you and know that my prayers are with you.*

I am so very sorry for your loss. Ken and I worked together for many years and it was truly a pleasure and honor to know him. I can't tell you how sad I am for you and your family.
