“ Daddy, I really really miss you and love you very much. I shed tears everyday because of how much I love and miss you. You made me have life and mad my mother a mom. So thank you for that. I know that this is our only way of communicating but I promise to do this everyday. You're the best and the best dad that I can ever ask for in the entire world. I am seriously glad that I had a chance to be your daughter and I am honored to have you as a Daddy. I love you daddy.
