“Kerrick, we talked about our German Shepherds a lot when we were in the breakroom. You let me borrow an egg which was a device to stop our dog from barking. It was very nice of you. You also brought me some german snacks. You were a very thoughtful person. Hope you are in a better place. My thoughts and prayers go to you and your family. Miss you. Heather

“To the Brown Family:

Kerrick was a joy to work with at SSA. As one of the Supervisors, he was always willing to assist me with any task asked of him. He accepted the instructions and always accurately completed tasks. He listened to you when you spoke and surprised my family with his wife's holiday cookies. We had ONE conversation about how I love the German cookies she baked from my childhood. And every holiday forward the cookie elf made a visit. He truly is/was a beautiful soul. Our Condolences to the Brown family. From my family to yours - The Conyers

“ I feel blessed to have known Kerrick. He was a wonderful coworker, was always helpful, courteous, and seemed to enjoy serving the public even when it became more difficult to do the job. We often joked about our military service, and he was proud to represent the USAF. Praying for his family during this time.
