“ *My heart is saddened to hear of your loss. I was only with the MS group for 2 years, but Kim made a positive and lasting impression on me. Her courage, warmth, and infectious smile were always an inspiration. I remember her love of movies and books and I feel lucky to have known her.*

“ *Kim always had a smile and kind word for all she met. She never complained. She dearly loved her furbabies & often showed me photos of them. She loved her family and spoke often of them. I'm sad that I won't see her at the ms meetings, but I know that she is free of pain. RIP Kim, I will truly miss you.*
