

## Kyle Garfield

June 9, 1983 - March 21, 2021

Kyle Dennis Garfield, 37, of Summerville, and formerly of Pleasant View, UT, husband of Aspen Owen Garfield, passed away on Sunday, March 21, 2021.

Family and friends are invited to attend his visitation on Saturday, March 27, 2021, from 3 o'clock to 5 o'clock at James A. Dyal Funeral Home.

In lieu of flowers memorials may be made to the family via Venmo: @Aspen-and-KyleGarfield.

Kyle was born June 9, 1983 in Logan, UT, the youngest son of John Owen Garfield and Bette Carter Garfield. He passed away on his Great Aunt Kay's birthday, who happens to be one of his very favorite people.

Kyle was a sight to behold with a basketball, and he loved sports. He was also a fantastic salesman and team leader with a brilliant mind for business and finance.

His enormous personality was loved by all of us fortunate enough to cross his path. He could converse about anything with absolute passion, and he made you feel like you and that conversation were all that mattered to him for that moment in time.

Kyle was an extraordinarily present person, and thus the lack of his physical presence is all the more impactful to us. None so much as his beautiful wife and five amazing kids. But he will always and forever be with them in spirit.

Survivors (in addition to his wife and parents) are:

5 children: Sierra Dawn, Amberlie Paige, Kyler Owen, Branson John, and Dawn Ivy;

4 siblings: Angela Wilde, Ryan Garfield (Amy), Kirk Garfield (Cristalyn) and Ginger Akin (Lee);

29 nieces and nephews.

He was predeceased by his mother-in-law, Dawn Wakefield, and his infant niece, Ava.

“ My mom and Kyle's mom worked at the hospital so Kyle and I became good friends at a young age even though we were from different cities. I was from Fielding and Kyle was from Tremonton. We got ourselves in trouble several times when we were young. I remember Kyle taught me how to big nickel (toilet papering but with newspaper). I had never heard of it, so we were probably in 6th grade and we rode our bikes into town and got what seems to be like 100lbs of newspaper. We spent the next several hours shredding news paper and bagging it for the big event. We ended up big nickeling a house 2 doors down from his parents house. I'm sure everyone knew it was us. Kyle had such a bold personality and could always make you laugh. We had such a big group of friends from 6th grade through graduation and had so much fun.

*I also remember when I was in college at Weber State Kyle and Aspen used to always come over and hang out at my apartment.*

*Kyle loved the ranch burger from Arctic Circle. Whenever we hung out at his house we would always ride our bikes to Arctic Circle to get a ranch burger.*

*I have many memories of Kyle and Aspen. Aspen so sorry for your loss. Reach out to me if there is anything we can do.*

*“ I have enough memories with Kyle to last a lifetime & I'll always be grateful for that. Over the last 12 years there are few people I've spent more time with. (Including my wife) Memories made together in New Orleans, Austin, Laguna, New York, Vegas, Savannah, Lexington, Augusta, LA & for the last couple years in Charleston. Kyle's heart can't be matched. He was my family that I wasn't born into... He was a generous soul, loved to laugh & truly wanted the best for all his friends.*

*I'm absolutely devastated by this. There are few people on earth that know me better, that have done*

*More for me. That I have had more heart to hearts with. He spoke about aspen with pride & love always. Aspen, you and your cute family that I was fortunate to get to know will be loved and included in my families prayers always. Kyle, you may be gone on this earth for now... Something that still doesn't feel real. But your impact will not be forgotten.. I'll think of you every time I watch the Jazz Play... Knowing you're sitting there next to me...*

“ I wish your family peace and comfort during this difficult time. Kyle was full of energy and was the life of the party. His big mitts patting you on your shoulder talking you up is what I will reflect back on with Kyle. He's a good man with a good family! He will be missed. - Hootie Roche

“ Kyle was my 6th grade boyfriend ;) As well as my friend all growing up! I visited his childhood home, got in trouble talking to him too late on the phone at night, haha... and listened to him sing songs from the Doors and Pink Floyd!!! He was funny, full of life and made us laugh!!! It has been a long time since I have seen him, but I have been friends with his wife on Facebook and followed them !! They have made a beautiful family!!! His children look so much like him!! The world is sad now he s gone! I hope he see' s all those that love him so much!

“ I don't have many memories of Kyle. I only met him distantly a few times. I did speak to him briefly once. What I will say is that he had an amazingly warm and loving smile and disposition. I saw this smile on his face especially when he would talk to Aspen or any of the kids. You could sense how much he loves you Aspen. I want to express my deepest condolences to Aspen and your sweet children. Kyle will live on in your hearts and the hearts of anyone lucky enough to meet such a great guy. I'm so sorry for your loss.
