“ I am so very sorry to hear of my cousin Larry's passing. We know that he has battled long and hard thru his illness and has left us with his incredible legacy of love and service to his family, friends and our country.

After my Dad passed in 1953, I went to live with family in Crawfordsville IN, where Larry and I became good buddies. We had lots of fun when we visited one a other in those simpler days. He will be sorely missed.

You have my and my families most heartfelt condolences. Our prayers go out to Larry a d his entire family and friends.
May Larry always RIP.

“ Larry was a hard worker focused on providing for his family; loved his wife tremendously; was fiercely proud of his sons and fiercely concerned for the next generation of good family. What a regrettable loss for Mary, Paul and the rest of the family! He will be sorely missed.
