“ I grew up with Larry from the fourth grade on here in the Wash. DC area until he moved to SC.

For a couple of years he would travel up here to Maryland to attend the Lyndale/Southeast DC reunion. but that then soon got to be too much on him just to spend a few hours on a Sat. evening here and then traveling 500 miles back home.

We would talk on the phone a couple of times a year and exchange birthday and Christmas Cards each year.

I was born in Oct. of 1941 and he was born in Dec. of 1941 so he liked to brag about being younger than me.

I was really both saddened and surprised that he had passed away as I had just talked to him on the phone a couple of months ago and he seemed to be doing OK health wise.

I will truly miss him as he was one of the few old friends from my past that was still living and liked to reminisce with about old times.

May he now rest in eternal peace.

“ *It's been along time since I have seen Larry.
He was my uncle and my daddy's last sibling.
I remember fun times in Charleston when we
went there for vacation. RIP and fly high*
