“ *I learned much while working with Larry at Trident hospital back in the day and have many good memories of that time. While our paths didn't cross since that time, I often thought of Larry and how he approached issues in pharmacy as they arose. On the lighter side, I would always send a "shout-out" to him on his birthday since it occurred on such an unforgettable day of the year! You will be missed.....Rest in peace, dear friend.....*

“ I worked for Larry in the Pharmacy Distribution Center at MUSC for several years. He always took things in stride and seemed to find solutions for any problem we encountered. Truly a kind man. Our encounters were few after he retired but we would chat at COSTCO once in awhile. Gods peace to your family in this time of sorrow.

“ *Larry was married to my best friend for fifteen years. He loved her and me. I always enjoyed my visits to their home. He was a very intelligent man and loved watching the history channel and Fox News. He enjoyed working in his yard and that John Deere Mower. I will miss you Larry and all the stories you use to tell me. Please know I will always be there for Bonnie.*
