So many memories to those fun days in Idaho Falls, His help, support and presence set me an example of how to be the best I could and inspired me through out my 22 years in the Navy. Thanks Whit. Love to Nancy.

“ Charlie and I thought the world of Whit. He had a heart of gold, and the Lowcountry was in his blood. We met him when we built our house on Peters Point Road, and we always enjoyed visiting with him and Lem through the years. We will miss this special man.

*With love and our deepest condolences,

“ Whit was our first friend in South Carolina when we bought property from him in 1989.. He and Nancy taught us what to do with shrimp and oysters and that only yankees cut open a watermelon and didn't eat it all. They adopted us into their family. Whit was there for whatever reason...build a barn? move a house? Oh, yeah. So generous, so kind and so fun. The world shed tears when Whit left us.

“ Whitty was a truly fine and decent man. He shaped my life a long time ago when I was beginning to learn about life at Clemson. I would not be the person I am without his friendship and wise counsel and joyful exuberance. There was a time when he drove his truck across the mouth at Botany Bay at low tide. Tide came in. truck drowned almost. and on and on. How many times did he come to the aid of his friends in trouble. Nobody ever cared or did more for his buddies. RIP my friend...bobby mccormick

“ I am so sorry for your loss. I was in Navy boot camp in San Diego (May 1967) with Lemuel W Boykin. Its been 55 years since and I can still recall his South Carolina "accent". He was a fun and fantastic person. I'm honored that I got to spend time with him in the Navy. - Stephen R Jones - EM2(SS)
