“ *I'm really going to miss playing guitar with you my friend. I know you missed Dottie so bad though, I'm glad you are reunited with you "sunshine". My goal in life is to treat my wife the way Len treated Dottie. Tiff the kids and I already miss you.*

“ *When I was a child, Uncle Len would come and get me and take me to KY to visit my family there. It was out of the way for him, but he still included me. There were many weekends that he would drive over an hour just to come and get me so I could visit family in Lima when he lived there. I remember that he would even help me with my math homework too! He didn't have to do any of those things for me, but that's just the way he was, and I'm very grateful he did!*
