“ I met Les at GSU in 79...we had dorm rooms across from each other. Les has a great laugh, joy for life and attracted friends like a magnet. We stayed in touch since college and I spoke with him a few months ago reliving those crazy college stories and getting caught up. He loved his family dearly and was very proud of them. He was authentic, hard worker, fun loving, loving dad/ husband and great friend. He will be missed but never forgotten. Here's a picture I took of him that made the annual at college.
